

## Chamber Paintup Plan Progresses As Survey Started

### Paint Company Offers To Provide Service In Local Plan

Decisive action to assure fulfillment of the proposed Truckee Donner Chamber of Commerce sponsored cleanup, paintup campaign this spring, was taken this week when the chamber accepted a previous offer of the Pabco Building Materials Division of Fibreboard Corporation to provide, without charge, a master plan and advisory service for the project.

Acceptance of the service offered does not exclude other paint firms or distributors from participating, but actually encourages such cooperation. N. F. Dolley, chamber president, pointed out.

Edward S. Fisher, color counselor for the Pabco concern, met with chamber officials Monday and went over a master plan. Fisher's visit will be followed by a more comprehensive program to be inaugurated March 4th when he will return after studying his finding of this week.

Under the plan, in which local painting contractors are cooperating, the local distributor, Builders' Service Center, will furnish Pabco paint, for all purposes, at cost and will supply plans and even facilities. Other distributors are expected to offer the same service, Dolley said, to assure a complete project.

First in line for the redecorating scheme, will be the main business block. Owners will be contacted by the chamber sponsored committee to be made up of representatives of the various local civic and fraternal organizations, to determine what cooperation can be expected. With this determined, the program will be extended into the residential areas from east of Truckee to the west end of Donner Lake.

The Pabco company is providing advisory service and will keep a man on the job during the course of the "face-lifting" operations without charge to the chamber or individuals.

Dolley said it is the desire of the chamber to have the project completed by June.

Rex Reid owner of the Builders Service Center is working with the officials of the company to provide the much needed service.

Fisher said that his company will contact the Southern Pacific and other cooperations with service stations and local structures to enlist their support and cooperation.

## PASTIME TEAM HOLDS LEAD IN SCHEDULE

BY JOHN FIRPO

After a little over half of the games in the Truckee Basketball League have been played, the Pastime Club is leading with four wins against one loss. The Pastime recently trounced the winless American Legion, 77-34, thus setting a town league record for Truckee basketball. In the second contest, The Brown's Cafe, also of Truckee edged past Marier's Maunderers, 55-48.

For the Pastime Club, Ken Gordon was high with 20 while teammate Bob Tonini had 17. Dale Freeland led the Brown's scoring thrust with 22.

League standings with half the games played are:

Pastime Club	4-1
St. Louis Cafe	3-1
Brown's Cafe	3-2
Marier's	2-3
American Legion	0-5

## HEART FUND DRIVE IS SET FOR SUNDAY

Members of the Odd Fellow and Rebekah lodges and their friends are going to be calling on their neighbors on Heart Sunday, February 15th in Truckee to help to a goal of \$2448. for Nevada County.

Gifts for the Heart Association's local, state and national program will be collected and turned over to William J. Rose, Nevada City, who is treasurer for the Heart group in Nevada County. The chairman of the local lodges urge families in Truckee and surrounding territory to give a warm welcome and a generous contribution to the Heart Fund Odd Fellow and Rebekah Volunteer who knocks on your door Sunday afternoon.

## DRIVER FINED

Jules C. Romer, 43, a San Francisco cab driver, received a choice of a \$155 fine or 33 days in jail, when he appeared before Judge F. W. Wilson of the Truckee Judicial Court Thursday.

He was charged with hit-and-run and driving on the wrong side of the road. The accident occurred on December 19. The other party involved filed a complaint against Romer and he was ordered to appear.

Go South—Richard Joseph and his sister, Mrs. Roxie Archie, have been visiting southern California, Nevada and Mexico.

## Eight Prospective Candidates Obtain Election Petitions

With eight potential candidates qualified, it is apparent that a contest looms for the four vacancies which will occur on the board of directors of the Truckee Public Utility District.

The election is scheduled for May 5 and the final date for filing notice of intention to be a candidate is February 27th.

Thus far the four incumbents, Jack Neugebauer, Hal Welch, Dr. Ben King and Dan Horman have secured their nomination petitions and obtained the required number of signatures. Others who have qualified are Cecil Edmunds, former manager of the district; Charles Vind, Ray Harsten, and Jack Ellis.

It is possible, Manager Daven Morey said, that all those who have qualified will not seek election as they have indicated this in filing their petitions.

March 12 is the final date for being properly registered to vote at the election.

## Viking Club Wins Federation Trophy

Veterans Memorial Building was filled to near capacity Saturday night when the Bay Area Ski Federation held its annual carnival, a highlight of the visit to the snow country.

The Viking Ski Club, with its presentation of "Brunhilde and Siggie", featuring what they termed the Truckee Opera Company, edged out the Alpiners Club to win the coveted cup for the best skit of the evening.

Judges at the contest included Lieutenant Gov. and Mrs. Glenn Anderson of Hawthorne, who spent the weekend at Soda Springs and Squaw Valley, each enjoying their first experience with snow sports. Other judges were N. F. Dolley, Zeph Rose and Walter Barrett.

Dave Barr, the federation president, was master of ceremonies assisted by Katherine Hardy, secretary of the group. The federation's queen, Susan Berger, selected previously was introduced to the huge audience.

Barr expressed the appreciation of his organization for the fine cooperation given by the Truckee Post of American Legion and the chamber of commerce, with emphasis upon the efforts of Frank Giovannoni who headed the committee on arrangements for the Post.

Sunday the group held the annual races at Squaw Valley which the Peninsula Ski Club won.

## ONE INJURY MISHAP REPORTED IN AREA

Despite the unusually heavy traffic during the past week, only one personal injury vehicle accident was reported by the California Highway Patrol.

Sergeant Frank Snyder reported Mrs. Agnes Henrickson, 45, and her passenger, Mrs. Oleeta Holdt, 45, both of Luck, Wisconsin, were hospitalized when their car skidded Monday afternoon at the 6,000-foot level on Donner Grade and plunged over the embankment.

The injured were taken to the Tahoe Forest Hospital by Truckee Ambulance but neither is believed in serious condition.

## THEFT OF \$100 FROM STORE INVESTIGATED

Investigation by Deputy Sheriff Roy Waters is continuing into the alleged theft of \$100 from the Zorich Ski Shop at Soda Springs. Mrs. George Zorich reported that while her husband was absent from the store for a short time, the theft occurred.

## TAHOE SCOUTS WILL DISCUSS PROGRAMS

TAHOE CITY — Chris Burner, newly appointed scoutmaster of Troop, 27, Boy Scouts of America at Tahoe City, has called a meeting for Tuesday, February 17 at 7 p.m. in the community center for the purpose of working out a program.

Burner said that members of the troop as well as boys interested in scouting are urged to attend and assist in preparing a program for the year. All ideas regarding classes in archery, skiing, rifle or other pursuits will be considered.

## Snow Mounts As Major Storm Hits In Sierra Region

### 40 Inches Of Snow Falls In Truckee To Provide Winter Sports

Hopes that this area would have a completely open winter and fears that there would be insufficient snow for spring winter sports were dissolved this week when the biggest and most severe storm of the winter lashed the region with snow from Reno to Auburn and torrential rain in the valley.

After a number of insignificant showers during the weekend, Monday opened up with a real blast and up until Wednesday morning 34 inches of snow had fallen in Truckee, which nearly doubled that amount in the higher elevations.

Traffic was snarled because of the storm and visibility over the summit was reduced to nothing and Highway 40 was closed for several hours Tuesday night.

More than 18 inches of snow fell in Reno.

The 32 inches of snow on the ground here Wednesday morning was compared to 41 on the same date last year. Precipitation for the storm was 3.36 inches with the normal for February being 5.29 inches.

High temperature for the first three days of the week hovered at a cool 30 degrees, dropping on Monday to one above for the lowest.

## Tahoe Weather

The storm which lashed the Sierra this week had deposited 39 inches of fresh snow at Tahoe City, bringing the total on the ground to 42 inches Wednesday morning.

Precipitation totaled 3.23 inches. The lake level was 6227.48 in. Wednesday with two gates partly open.

High temperature for the week was 50 on the 5th and the low, 9 on the 9th.

## Grazing Fees For Year Announced

Approximately 3,000 cattle and 13,000 sheep graze on the Tahoe National Forest. The grazing of livestock on the national forest completes a year round operation for some livestock owners.

So that the U. S. Government receives a fair return for the use of the public land, grazing fees are charged the livestock owners. The yearly fee per animal month is based on the past year's average price paid for livestock in the wholesale market. The fees for 1959, according to H. E. Branagh, forest supervisor of the Tahoe National Forest, is 66¢ per animal month for cattle and 13¢ and three fourths cents for sheep.

## SUPERINTENDENT OF DISTRICT LEAVES JOB

Kenneth Doerr, electrical superintendent for the Truckee Public Utility District for the past two years, has resigned and moved to Santa Paula, according to an announcement by Manager Daven Morey.

Currently the work supervised by Doerr is being done by George Kenyon who has been with the district for the past several years as a lineman.

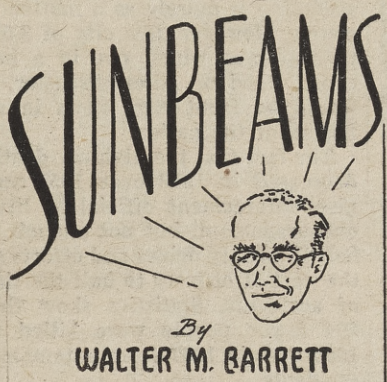

No replacement for Doerr is planned for the immediate future, Morey said.

## rites For Pesce To BE HELD SATURDAY

His many friends here were saddened to learn of the death at the Nevada County Hospital Monday of Dominic Pesce, 78, for many years a resident of Truckee. He had been hospitalized since October, 1957.

Several years ago Pesce had both legs amputated and had been in good health since that time. He was a native of Italy born July 19, 1880 and had lived here since 1917. His only known relatives are a granddaughter, Mary Miratta of San Francisco, and a brother Rocco of Loyalton.

Rosary will be said at 7 p.m. Friday at the Truckee Colonial Mortuary and a 10 o'clock mass will be recited Saturday morning. Interment will follow in the Truckee cemetery.

With passage of a senate resolution asking for construction of a low-level, all-year highway at Emerald Bay, the issue again enters the public limelight with verbal brickbats flying like mad. The opponents are again making themselves heard with their cries of "preserve natural beauty", and completely ignore the fact that a bridge, designed for the area, would enhance rather than mar the beauty. The huge, raw, unsightly slide now existent certainly is no beauty. This "killer" area has prevented thousands upon thousands of motorists from viewing what the so-called "naturalists" would like to preserve for themselves exclusively. They speak of the hundreds who frequent the state parks, which would be crossed by the proposed highway and how their peace and seclusion would be broken, without mentioning the fact that all around the area are resorts which pay the taxes making these parks possible while competing with the low park fees. We are not in any way depreciating the value of the parks to the public. We believe in parks, but not as competitive business. The proposed new highway would open these parks to more people, and this perhaps is one of the prime objections of the "exclusive" group which cries "commercialism" every time the subject of providing passage on the west of Lake Tahoe is mentioned. Proper zoning and careful planning could care for the commercialism, but it will take a new road and a bridge to make the California side of Lake Tahoe inviting to the thousands who would like to come there but who fear the narrow, sliding road over which they must now travel. It is well to note that most of the complaints against the new road come from people who frequent the area seldom if ever, while the proponents are the people who pay local taxes and have every right to expect at least a margin of safety.

## South Tahoe Will Play Locals Here Saturday Night

### Wolverines Win Second In Tournament With Stewart Five

BY JOHN FIRPO

Last Saturday the Tahoe Truckee Wolverines picked up a 41-32 win over the Stewart Braves. It was the second win for Coach Jim Brehler's squad against five defeats the latest of which was encountered Friday night when they dropped a 52-23 tussle to the Douglas Tigers of Gardnerville Nevada. The split put the Wolverines with a 2-5 conference record, which is sixth place in the Western Nevada "A" conference, and left them with a 5-8 status in overall games.

Douglas was second place in the league going into the game and had recently defeated the Wolverines, 53-45 at Truckee. The Mountain Men, after getting a slim lead, would stall the ball until either the Tiger defense opened up or a man was in the open. This continued most of the first half and the intermission stood 19-19. Hans Boeving, who scored 30 against Truckee earlier, was held to four points in the initial half. Douglas

## Fire At Squaw Is Held To Little Loss

One volunteer fireman, Ronald Lee Martin, employed at Squaw Valley, was treated at the Tahoe Forest Hospital Saturday afternoon when an incipient fire started in one of the rooms of the Olympic Village dormitories.

The damage was kept at a minimum by the quick efforts of a new fire truck at the valley and hastily summoned volunteers. The Tahoe City Fire Department responded to a call for aid, with Chief Al Henry in charge.

No announcement was made regarding the cause of the fire which started in a room where bedding was stored. The only damage was the blankets and pillows.

## 4 LOCAL STUDENTS AT NEVADA MEETING

Four students from the Tahoe Truckee High School attended "A College Day in Home Economics" sponsored by the Sarah Hamilton Fleischmann School of Home Economics at the University of Nevada Saturday, February 7. Highlights of the day were: a talk by President Charles Armstrong, "Why a University Education is Important for Women"; attendance in four classes on child development, experimental foods, family economics, and fashion design; visit to a dormitory; and interpretation of home economics curricula and careers in home economics.

Those attending from Tahoe Truckee were: Jackie Benish, Nona Rae Coffey, Sue Larson, Shirley Smith and Mrs. Earl H. Smith, Jr.

## LENORE VIND FETED AT LOCAL LUNCHEON

A surprise luncheon was given to Lenore Vind, district deputy president, of the Rebekah Lodge, district 21, by her district staff, on January 28th at the Alpine Riverside Hotel. A lovely charm bracelet was presented to her representing the various offices she held in the lodge.

The following members of the Naomi Rebekah Lodge No. 2 are members of district 21 staff: Maggie Alvila, Julia Davis, Janet Franklin, Ruth Goss, Goodie Mori, Sue Reams, Elsie Single, Dorothy Slack, and Fredna Smith.

The next regular meeting of the Rebekah Naomi Lodge will be Wednesday, February 11.

## THREE LOCALS ARE ON S.C. HONOR ROLL

Three students from the Tahoe Truckee High School are on the president's honor roll at Sierra College.

The students who have made grade average of 3.0 (B) or better, based on a minimum of 12 units of work included Sonja McCaskie of Tahoe City who had 3.594 for top honor position; Oliver Crose of Truckee and Robert Trask of Truckee who had averages of between 3 and 3.5.

Three boys, 12 to 14 years of age, were charged with arson and vandalism after I. O. Gifford, owner of a motel near the Tahoe Truckee High School told Deputy Sheriff Roy Waters an attempt had been made to burn one of the motel units.

Gifford, according to Waters, saw the three boys run across the highway and upon investigating discovered that a fire had been set inside one of the units and two windows had been broken. Questioning of the boys resulted in them admitting, Waters said, that they were responsible for the blaze, but all denied breaking the windows.

The three were suspended from school and a report filed with the county probation officer.

## Firettes Will Host Foreign Skiers At Dinner On Feb. 27

The Truckee Firettes will host nearly 100 foreign competitors to the North American Championships at a dinner scheduled for February 27 it was announced at a meeting of the Truckee Donner Chamber of Commerce yesterday. Mrs. Connie Euer, Firette president was conferring with N. F. Dolley, chamber president and Reg Smart, member of the Olympic organizing committee's hospitality committee, in preparing for the affair.

Dolley reported on his recent meeting with the board of supervisors and said plans are progressing for the proposed two hour parking on the main street and repair of the historic rocking stone tower. The meeting, attended by more than 25 members was held at the Alpine Riverside Hotel.

A report on the proposed cleanup, paint up program was also given and a suggestion addenda to the Truckee brochures, prepared by Cecil Edmunds was given approval. It was voted to have a telephone installed in the chamber office here.

## Cushing, Squaw In National Magazine

Last week's Time, the weekly news magazine, devoted its cover to an excellent likeness of Alex Cushing and nine pages of an illustrated article to Squaw Valley, site of the 1960 Winter Olympic Games.

Although the article was concerned primarily with the background and personal history of the controversial Cushing, it was a good story of the development of the Valley and how this fast conversion from a virtual wilderness to a bonanza took place.

Pictured with the factual story are pages of color photos of the new lifts, facilities for holding the Olympic Games, Squaw Valley Lodge, the Cushing family, Wayne Poulsen, principal land owner in the valley and Prentiss Cobb Hale, whose personal drive was credited with developing the area into the west's most promising winter sports area.

Unlike other national magazine articles dealing with the development of the Olympic facilities, the story is not critical and paints a good verbal picture of the work that has gone into the project.

## SPEAKER DISCUSSES TRIP TO BREWERY

How Olympic beer is brewed, packaged and distributed, was the topic of an interesting talk given by William Englehart, Sr., before the meeting of the Truckee Lions Club last night at Donner Lake Lodge.

Last June, Englehart, accompanied by Mrs. Englehart and their son, William, Jr., were guests of the meeting of the Truckee Lions Club last night at Donner Lake Lodge.

The Engleharths are local distributors of the beverage and were accompanied on the visit by 79 other dealers making up one of four groups to enjoy the visit.

The local distributors provided Olympia beer to the guests and members at last night's meeting.

## FATHER OF TRUCKEE WOMAN DIES AT 80

Mr. and Mrs. William Fordham returned to Lancaster this week after they received word of the death of her father, Chester Davenport, 80 years of age.

Last rites and burial are scheduled to take place at Monrovia. Mr. and Mrs. Fordham recently attended a reception for her parents on their golden wedding.

## FOUR-WAY MEET IS SCHEDULED IN BOWL

SUGAR BOWL — The California-Nevada Interscholastic Ski Federation Championships (Four-Way Meet) will take place at Sugar Bowl this coming weekend February 13 and 14. The Placer High School of Auburn is host team; other teams from Reno, Sparks, Montague all of Nevada, South Tahoe, Tahoe-Truckee, El Dorado of Placerville will compete with approximately 60 competitors on Saturday.

## Stage Is Set For Championship Ski Events At Valley

### Events Will Attract Some 13 Foreign Nations To Game Site

Preparation for the North American Ski Championships at Squaw Valley are nearing completion and many of the competitors from all over the world are arriving to participate.

At least 13 foreign countries are sending athletes to the events and more than 100 of the United States most outstanding winter sports will be on hand for the trials. Both competitive and exhibition events are scheduled for the championships to be started February 21 and continuing until March 3.

Skiers from Chile are already testing the lifts and slopes and skiers from Austria, Canada, Finland, France, Germany, England, Italy, Japan, the Netherlands, Norway, Russia and Sweden will arrive soon.

The events are sponsored by the organizing committee of the VIII Olympic Games and the meet will provide a guide to be followed for holding the 1960 Winter Olympics a year from now.

The NAC trial events scheduled are as follows:

Saturday, February 21: Men's giant slalom, KT-22 mountain.

Saturday, February 21: Ladies' giant slalom, Papoose Peak.

February 21, Saturday, Ice Hockey, West Rink.

February 22, Sunday, Men's Slalom, KT-22 Mountain.

February 22, Sunday, Ladies Slalom, Papoose Peak.

February 22, Sunday, Figure Skating Exhibition, West Rink.

February 23, Monday, Men's Downhill, Squaw Peak.

February 23, Monday, Ladies' Downhill, KT-22 Mountain.

February 23, Monday, Ice Hockey, West Rink.

February 23, Saturday, 30 km Cross-Country, McKinney Creek.

February 23, Saturday, 500-m Speed Skating, Speed Skating Oval.

February 23, Saturday, Jumping Exhibition, Olympic Jumps.

February 23, Saturday, 5,000-m Speed Skating, Speed Skating Oval.

March 1, Sunday, 1,500-m Speed Skating, Speed Skating Oval.

March 1, Sunday, 60-m Combined Jumping, Olympic Jumps.

March 1, Sunday, 8-m Special Jumping, Olympic Jumps.

March 1, Sunday, 10,000-m Speed Skating, Speed Skating Oval.

March 2, Monday, 15 km Special and 15 km Combined Cross-Country, McKinney Creek Area.

March 3, Tuesday, 20 km Cross-Country Ski & Shoot (Biathlon), McKinney Creek Area.

## DEMOCRAT CLUB TO NAME NEW OFFICERS

TAHOE CITY — A meeting of the Truckee-Tahoe Forest Democratic Club will be held Wednesday, February 18 at 7:30 p.m. at the Tahoe City Community Center.

The purpose of the meeting is to elect new officers and select delegates to the California Democratic Council in Fresno during March.

## STORM ON SUMMIT DELAYS OFFICIAL

This area made the national news again Monday morning when the television "Today" show reported that Lieutenant Governor and Mrs. Glenn Anderson were delayed for more than an hour by the heavy traffic on Donner Summit Sunday evening.

The thousands of skiers who took advantage of the ideal conditions to frolic at the various resorts, plus the normal weekend traffic caused a delay in the chain control area and the state official and his wife were among those held up temporarily.

## DeMOLAY DANCE IS PLANNED ON FRIDAY

Tahoe Truckee DeMolay members are planning a St. Valentine's Day dance Friday, February 13, beginning at 8:15 p.m., to be held in the Methodist Church edifice at Kings Beach.

The same charge of 50 cents will be made, whether attending stag or as a couple.

Carl Terkildsen said that entertainment and refreshments will add to what promises to be an enjoyable affair.

## Breaks Leg

Mrs. Ermin Hintz is in St. Mary's Hospital at Reno with a broken left leg as a result of an accident at her home near Donner Lake. Mrs. Hintz was standing on a box to wash windows when the box toppled and she fell into the rocks.

## SCOUTS DISPLAY

The Toggery's front window is devoted this week to an achievement display in honor of the 49th anniversary of the founding of the Boy Scouts of America. Local Cub den members have worked diligently to make the project possible.

## ALBERT SIGAL WILL AID IN '60 OLYMPICS

SAN FRANCISCO — Albert E.  
Sigal of Palo Alto, former presi-  
dent of the National Ski Associa-  
tion, has been appointed to the  
board of directors of the organiz-

ing committee for the VIII Olympic  
Winter Games, Prentiss C. Hale,  
president of the organizing com-  
mittee, announced today.

Sigal brings many years of wide  
experience in winter sports and  
Olympic Games to the organizing  
committee. Last September he was  
named secretary of race for the  
downhill slalom events at the 1960  
Olympic Games at Squaw Valley.

He also is a member of the execu-  
tive board of the United States  
Olympic Committee.  
As a member of the organizing  
committee's board of directors,  
Sigal will assist in the planning and  
staging of the Winter Games,  
scheduled February 18-28, 1960, at  
Squaw Valley.

America's farmers use 50 mil-  
lion tons of chemicals annually.

**SHOP AT HOME. PATRONIZE  
YOUR TRUCKEE MERCHANTS!**

**NOTICE OF SALE**  
NOTICE IS HEREBY GIVEN THAT  
Truckee Public Utility District, a  
body politic, will sell at public  
sale to the highest bidder, at the  
offices of said District, Commer-  
cial Row, Truckee, California, at  
the hour of 10 o'clock A.M., on the  
26th day of February, 1959, the  
following described property situ-  
ated in the County of Nevada,  
State of California.

A portion of the N. E. 1/4 of sec-  
tion 14, T.17 N., R.16 E., M.D.M.,  
Nevada County, California further  
described as follows:  
Beginning at a point on the  
southwesterly line of the County  
Road from Brockway to Truckee,  
from which point the East one-  
quarter corner of section 14, T.17  
N., R.16 E., M.D.M., bears S79° 41'  
20" E 1969.19 feet; thence from  
the point of beginning, along the  
southwesterly line of the road, N  
58° 29' W 440.24 feet; thence leav-  
ing the road, S 88° 04' 26" W 263.  
14 feet; thence S 1° 55' 34" E 242.  
63 feet; thence N 88° 04' 26" E 630.  
50 feet to the point of beginning.  
Contains 2.489 acres.

Said sale shall be made on sealed  
bids, to be received by said District  
on or before and open and de-  
clared at the time and place spec-  
ified above, and the terms of sale  
shall be not less than the sum of  
\$3,000 cash, and all expenses of  
sale, including cost of recording,  
title insurance, if any, revenue  
stamps, preparation of documents,  
shall be borne by the purchaser.

Said District reserves the right  
to reject any and all bids and to  
waive any irregularity or any in-  
formality in the bidding or in any  
bid received.

## MORE NEVADA MONEY PLANNED FOR GAMES

CARSON CITY — Gov. Grant  
Sawyer asked the Nevada Legis-  
lature to put up another \$300,000  
for the 1960 Winter Olympics at  
Squaw Valley.

"It is impossible to estimate  
the tremendous benefits that we  
will reap in the future from this  
action now, benefits in tourist dol-  
lars, in business expansion and in  
the goodwill of the world," said  
the governor.

The public, it is pointed out,  
thinks little about the highway toll,  
accepting it merely as a matter of  
course. However, if a city of 3,510  
persons was wiped out in a hol-  
ocaust, flood or other disaster, it  
would be front page news in all  
papers of the nation.

The fact that the highway deaths  
decreased in 1958 over 1957 may  
give enforcement officials a little  
encouragement, but not enough to  
halt the safety drives and efforts on  
the part of officers to halt the tide  
of accidents. Statistics show that  
294 fewer people were killed in  
1958 than in 1957 from automobile  
accidents.

To help enforcement, Senator  
Donald Grunsky (R-Santa Cruz Co.),  
has introduced a series of measures  
in the state senate.

Grunsky said the legislation is  
the outgrowth of work by a three-  
man senate interim committee on  
prevention of automobile accidents.  
The Santa Cruz senator also is a  
member of the senate committee  
on judiciary and transportation,  
which will consider all bills relat-  
ing to traffic laws.

One of the measures would pro-  
vide for the use of radio-microwave  
speed measuring devices by the  
California Highway Patrol on state  
highways. This device, known as  
radar, would give legal evidence  
of the speed traveled by the viola-  
tor.

The bills also provide for use of  
unmarked vehicles not painted a  
distinctive color, by the highway  
patrol.  
"The bills," he said, "are not  
intended to change the traditional  
use of specially marked and identi-  
fiable highway patrol cars or the  
traditional method of apprehend-  
ing traffic violators."

"However, the use of radar and  
unmarked patrol vehicles appears to  
be justified to handle situations  
involving unusual traffic hazards  
and serious violators."

The senator said he is aware of  
the general opposition in the past  
to the use of radar and unmarked  
patrol cars. However, the bills are  
supported by recommendations of  
the governor's traffic safety com-  
mittee and the results of a public  
opinion poll.

Senator Grunsky has still an-  
other bill which would provide that  
the posting and forfeiture of bail  
without a plea of guilty will never-  
theless constitute a conviction for  
the purpose of maximum penalties  
applicable to vehicle code misde-  
meanor violations.

He said this bill will tighten up  
on the habitual offenders who have  
been escaping more severe penalti-  
es for repeated offenses by sim-  
ply posting bail and forfeiting,  
which under the present law does  
not constitute a conviction, even  
though the person cited is admit-  
tedly guilty of a traffic violation.

Adoption of the bill would be a  
conviction only for the purpose of  
determining the amount of fines to  
be imposed.

## NOTICE OF GOVERNING BOARD MEMBER ELECTION AND COUNTY BOARD OF EDUCATION ELECTION

One member of TAHOE TRUCKEE  
UNIFIED SCHOOL DISTRICT  
Two Members of PLACER COUN-  
TY BOARD OF EDUCATION  
NOTICE IS HEREBY GIVEN TO  
THE VOTERS OF THE ABOVE  
DISTRICT OR DISTRICTS OF THE  
County or Counties of Placer and  
Nevada, California, that the An-  
nual Election for members of the  
Board or Boards of the said district  
or districts will be held on the  
third Tuesday of May, namely,  
May 19, 1959, for the purpose of  
electing the number of members  
of the governing boards of the  
districts as indicated above.

The polls will be located at:  
PRECINCT NO. 1—Donner Trail  
School, Kingsvale.  
PRECINCT NO. 2—T. S. Postoffice,  
Floriston.  
PRECINCT NO. 3—Kings Beach  
Elementary School.  
PRECINCT NO. 4—Tahoe Lake  
vote thereat.

All qualified voters of the school  
districts who were registered at  
least 54 days before the election in  
the (general election) precinct in  
which this election is held may  
vote thereat.

**ALBERT F. BEQUETTE,**  
County Superintendent of  
Schools.

Dated: February 9, 1959.

Elementary School, Tahoe City.  
PRECINCT NO. 5—Truckee Ele-  
mentary School.

The polls will be kept open be-  
tween the hours of 7:00 o'clock  
A. M. and 7:00 o'clock P. M.  
The election returns will be can-  
vassed at 10 A. M. o'clock on May  
29, 1959, by the county superin-  
tendent of schools at 138 Maple  
Street, Auburn, California.  
Deadline for the receipt of ab-  
sentee ballots is May 29, 1959.  
Forms for declaration of candi-  
dacy may be obtained at the of-  
fice of the county superintendent  
of schools, 138 Maple Street, Aub-  
urn, California. The last day for  
filing declarations is April 17,  
1959.

**NORTH TAHOE**  
By JUDGE HARRY CHARRISON

**HAT PARTY**  
Don't forget the ladies' hat party on March 2nd at 7 p.m. at the Nevada Lodge. The hats worn are to be made of kitchen gadgets with lots of prizes and entertainment. We hope that all the ladies of North Tahoe will come and enjoy the fun. For your reservation call either Liberty 6-3890 or Liberty 6-2131.

**SOLD**  
Milo Brown has sold his Garden Motel to William Jenkins of San Leandro, whose son and daughter will attend Truckee High, and are great ski enthusiasts. Its always nice to have these young people join our community. Milo and his family will move to the south end of the Lake and continue with the construction.

**ROTARY TRIP**  
The Rotary Club of North Tahoe chartered a bus and went to Sacramento to a district meeting. President of Rotary International Clifford Bardall spoke on his travels, having been around the world

twice, and told of the Asiatic entries. There were about 1200 attending. The North Tahoe Group dressed in red jackets and derby hats.

**IN HOSPITAL**  
Ray Grahn of Tahoe City was involved in an accident at the fish hatchery and is in the Tahoe Forest Hospital.

**VISITORS**  
Mr. and Mrs. Bonino formerly of Tahoe City and now living in Pittsburg, California, were visitors for a few days. Mrs. Bonino was the former Christine Bechdolt, daughter of Mr. and Mrs. Carl Bechdolt, Jr.

**IN HOSPITAL**  
Elsie Martin of Tahoe City is in the Tahoe Forest Hospital at Truckee. Details are not known at the present. We wish her a speedy recovery.

**BIRTHDAY**  
Mr. and Mrs. Roy Porath's young son, Danny had a nice birthday party on February 2nd with several of his little pals present.

**LOTS SOLD**  
Pappy Brooks of Brooks Signs, Inc. has sold some lots to Robert J. Vanaal of Tahoe Vista. Bev Brooks is now doing the sign business and

is doing a swell job. The little stickers you might have seen on your Christmas cards were designed by Bev.

**OPERATION**  
Doctor Walton Prescott of Kings Beach was in the Tahoe Forest Hospital having had an appendectomy. By all reports, he is recovering nicely and arrived home this weekend. We wish him a speedy recovery.

**BUSY WEEK END**  
There were at least 55 buses at Crystal Bay over the weekend. There were 2500 people at the Casinos on the hill including 500 Knights of Columbus members. This was the largest number of visitors to attend this season.

**BROKEN LEG**  
Dr. Monica Briner broke her leg while skiing. She is now home with a cast on but in her usual cheerful spirit. We hope she will recover before long.

**OLD FRIEND**  
Our old friend, Mrs. Charles Spalding, was taken ill in Reno and was taken to St. Mary's Hospital where she will be for some time. Let's remember her with greetings and get well wishes.

**DR. HAWKINS WILL BE CAMERON CHAIRMAN**

Dr. W. J. Hawkins, Nevada City dentist, has accepted the chairmanship of Nevada County Cameron for State Senator Committee.

Dr. Hawkins, for 25 years identified with the Democratic party in Nevada County, will select his subcommittee chairman next week and outline plans for the campaign leading to the April 7th special election.

Hawkins, in accepting the appointment, called for full support of the Democratic party for Auburn attorney Ronald G. Cameron. Cameron won the endorsement of the Democratic meeting in caucus in Grass Valley on January 10th. He seeks the state senate post vacated by Harold T. (Bizz) Johnson, now a member of Congress. The senate district comprises Nevada, Placer and Sierra Counties.

With the announcement of Hawkins appointment, it was also announced that Ray Carlisle of Auburn would chairmen the three-county finance committee for the campaign. Carlisle, a public accountant, was himself a candidate for the Democratic party endorsement at the January caucus, but pledged his support to Cameron when the latter received the endorsement on the first ballot.

Robert L. King said that Dunn's services are being donated by the Standard Oil Company of California until after Games in 1960.

**WHAT'S DOING**

E. J. Bean, your Telephone Manager in Truckee-Tahoe.

This flying phone crew is using a helicopter to find suitable locations for new radio relay towers to carry your calls. Rather than build costly access roads, they air-lifted themselves and their heavy radio test gear into rugged, roadless country. In five months they logged nearly ten thousand air miles and wrapped up a job which could have taken a year. And flying crews aren't the only phone people who work with time-saving equipment. On every phone job we look for the most economical way to do it.

**READY FOR TRIALS**

Jim Tarter, service engineer in charge of setting up telephone services for the 1960 Winter Olympic Games, said many types of telephone services will be in operation during the North American Ski Trials.

Communications will play an important role in the North American trials in determining how successful the 1960 Winter Olympic Games will be.

The Olympic switchboard is now working, a special emergency and fire reporting system will shortly be in operation. Special services for the Associated Press, the United Press International and Western Union are ready for operation. Thirty public telephones have been placed throughout the area for the general public.

Telephone services have been installed for many foreign countries which will participate in the 1959 events.

## DONNER SUMMIT NEWS

BY DONNA POWER  
BEE TROPHY RACE

For the fifth year in a row the Squaw Valley ski club team won the Sacramento Bee Trophy race held Sunday on the Soda Springs Ski Hill. The race was run on a good course with few stiff turns. The snow conditions were good. The men's race was held in a slight snow fall, which slowed the course down slightly. Winning team members were Babette Hauelsen and Dee Tschopp women racers, and Pepi Gassiot and Joe Auckenthaler racing on the men's team. All officials were treated to a delicious lunch by the Sacramento Bee, served in the Snow Flake restaurant.

## REPORTS

Mixed emotions were felt by the parents and children of the Donner Trail School Friday afternoon when the report cards were sent home for the second time this year.

## HAPPY BIRTHDAY

Foster Weeks invites everyone to his birthday party to be held at the Beacon Hill Lodge on Feb. 14 which is also St. Valentine's Day. The festivities will begin with a free cocktail hour which will conclude at 8 p.m.

## SUGAR BOWL

Junior Bounous, head ski school instructor in the Sugar Bowl, announces the beginning of his special racing classes conducted during the week. These are open to any good skier interested in becoming a more proficient racer. Last week among others attending these classes was a group from San Jose State College. For the beginning skier, classes are also available. Next week end Placer High School at Auburn will

hold its championships at the Sugar Bowl. This will include a giant slalom and down hill to be held on Friday. Saturday will see the cross country race and the more spectacular jump meets, with about 60 competitors. Sunday will see the Eagle race, snow conditions permitting, sponsored by the Sugar Bowl Ski Club an open to both club members and non members.

## WATER DISTRICT MEETS

Tuesday evening the Donner Summit Utility District held its regular meeting at the Donner Summit Lodge with all board members present. Ray Carlyle, district auditor, gave the district financial report. Interested residents of the community present were Art Coulthard and Mary Williamson.

## NEW SNOW PLOW

The Donner Summit Lodge has recently purchased a new green three quarter ton, four wheel drive pickup with a blade attached to the front of the vehicle. They have used it very successfully to remove snow from their parking lot. The snow plow can be used by area residents in the event of an emergency to remove snow from driveways.

## FIRE DEPARTMENT

The burning of Crest lodge in Soda Springs November 21st has caused residents of the Donner Summit area to do some serious thinking about establishing a fire district. Some of the women have discussed plans for raising money to purchase fire fighting equipment. George Ganglier of Soda Springs has discussed the matter with Charles Kitz in Grass Valley and as a result a petition on the matter is being circulated among property owners. The establishing of such a district is of definite advantage to anyone in the area and should find much strong support. At present we are living under almost no fire protection.

Sunday Pastor Taylor begins the Lenten Series of sermons selected by the congregation. The series is entitled, "What Can We Believe?" In the first sermon, of this series, Pastor Taylor will discuss the being of God and our relation to Him. Such subjects as: the existence of God, the character of God, and the love of God will be considered. Sunday's sermon is entitled, "What Can We Believe about God?"

The South China Sea, 859,000 square miles in area, has an average depth of 5400 feet.

## HUMAN JUDGMENT BLAMED IN MISHAPS

Faulty human judgment is the key element in most traffic accidents that result from right-of-way violations, according to the California Highway Patrol. Right-of-way violations are second only to excessive speed as causes of traffic accidents, CHP Commissioner B. R. Caldwell said. In almost all of these incidents, at least one of the drivers made a mistake in judgment.

"We have never measured the IQ of the drivers who have made these mistakes in judgment, but I would venture that some of them would score very high," Caldwell continued. "Even highly intelligent people can become impatient at what seems an excessive delay. They can even misjudge the speed of an approaching car, or just fail to look around because they are concentrating on something other than their driving."

"Using good judgment at all times will minimize the chances of becoming involved in an accident. In right-of-way situations, good judgment suggests that if there is any doubt at all, yield the right-of-way to the other fellow. The delay might be for as long as a minute or two, but the penalty for not yielding could be eternity."

Estimated value of California's mineral production for 1958 is \$1,451,000,000.

Their Future Lies  
In The Balance!

If you are like many fathers who add new life insurance from time to time, you probably find it hard to tell just how well balanced your program is and what it provides. Ask about balanced protection soon—your family's welfare may well depend on it!

## IT'S HUMAN NATURE

To think of heart disease as something that attacks "the other family", and not the heart you love; but, no one, no child nor adult is immune. Next to your doctor, your heart association is your heart's best friend. A contribution to the Heart Fund isn't charity, it's an investment in the health of your family. Let the beat of your heart remind you to give generously to the volunteer worker who calls on you Sunday, February 15th. If you are not contacted in person, you will be by mail. Please send your contribution promptly.

You wouldn't drive your car  
on half-inflated tires...

Why live in a house  
with INADEQUATE WIRES

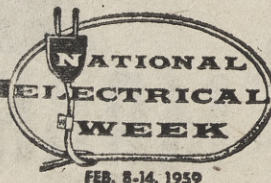

Inadequate wiring in your home results in a lot more inconvenience than a wobbly auto ride. Your electrical appliances don't function properly. Proper illumination is difficult. Many people discover that such comfort-giving appliances as air conditioners, electric ranges, automatic washers and dryers cannot be installed because of inadequate wiring. And there's always the danger of fire caused by overloaded circuits and insufficient electrical outlets.

Prepared as a public service by  
Allis-Chalmers Committee on  
Adequate Wiring.

## TAHOE TRUCKEE SCHOOL NEWS

**TRUCKEE ELEMENTARY**  
KINDERGARTEN: Our class had a top shower for Benny Garcia after he lost all of his toys in their fire. He received trucks, tanks, books, tinkertoys and a train. The children who thought of, and arranged the shower were: Sharon Ford, Joyce Smart, Jean King, Jimmie Baker, Gary Paddock, Karen Barrett, Nancy Rabin, Donna Horman, and Anne Hackett.

FIRST GRADE: Children who had a perfect score on our first spelling test were: Deborah Pratt, Chris Swanson, Larry Doyle, Kathryn Campbell, Kent Mullis, Driscilla Turner, Byron Johnston and Debby Jo Wurst. Those who missed one word were: Mark Manley and

John Poppe.  
SECOND GRADE: Best spellers for this week are David Goldsmith, Mary Lou Randall, Elaine Barnes, David Capel, Charles Anfield, Jerry Jellin, Curt Wurst, Curt Mullis, Joe Merica, Bruce Leamon, Terry Higgins, George Franceschini, Anna Maria Collier, Phyllis Brown, Steven Maynard, Elizabeth Richards, and Monte Neugebauer. Jeff Jellin can make butter. Our dairy unit told the way to make it, Jeff tried it and did a good job.

THIRD AND FOURTH GRADES: This month's class officers are: president, Henry Frates, vice-president, Karel Sauby; secretary, Jill Wurst; treasurer, Augustine Acosta. Monitors: board, Nicky Kenyon; paper, David Higgins; milk, Rod Farley; book, Cathy Braley; sink, Phillip Riden; ball, Dana Scanlon.

FOURTH GRADE: For the second quarter ending January 30 the following had perfect attendance: Charles Collier, John Collier, Russell Glenn, Tim McLane, Craig Mullis, Ronnie Walker, Terri Richards, and Garee Lynn Stewart. Outstanding spellers were: Darlene Doolittle, Gail Englehart, Beverly Holleman, Tim McLane, Marianne Moore, Craig Mullis, Terri Richards, Garee Lynn Stewart, and Bill Waters. In arithmetic Gail Englehart, Tim McLane, Beverly Holleman, and Pat Merica, earned outstanding grades. Pat and Gail took top honors in problem solving. Darlene Doolittle received the only outstanding in social studies. Terri Richards, Darlene Doolittle, and Beverly Holleman were "tops" in written language; Tim McLane being the master of the spoken word. For the week, Chris Foster's voluntary efforts brings special praise. We are pleased to have Richard Purington as a new member of the class. Youngsters deserving commendation for their social and academic improvement are John Collier, Chris Foster, Mike Grayson, John Goldsmith, Bruce King, Eileen Olson, Sharon Peterson, Dennis Richards, Ronnie Walker, Gary Waters, Billy Waters, and Billy Hobbs.

FIFTH GRADE: Results from recent test indicate that the following: Diane Pankoke, Betty Saarni,

Doug Nelson, Walter Dallas, Dave Douglas, Walter Douglas, Larry Digesti, and Connie Rhodes, have established themselves as the top mathematicians.

The fifth grades high flying basketball team was soundly dumped by the sixth grade 18 to 13.

**KINGS BEACH SCHOOL**  
KINDERGARTEN: Kindergarten made paper kayaks this week for their Eskimo project. They made an igloo of white paper over a round wire frame. Many boys and girls brought Eskimo and Alaska pictures from home to show to the class.

FIRST GRADE: This week on our farm unit we made ice-cream. Mr. Sheridan donated the cream and milk. Our "thank you" to him.

The following people made 100 per cent in spelling: Ricky Holley, Gary Price, Patty Graton, Sally Templeton, Scott Ferguson, Jimmy Anderson, John Gorrindo, Jo Burris, Hazel Wainscoat, Lana Hill, Larry Gilson, Linda Astle, Billy Oinscup, Ricky Decker, Jeannie Albin, and Jimmy Baxter.

SECOND GRADE: This week, our class has written many individual stories. Each pupil has written at least two stories apiece from the following topics: "My Pet", "My Home", or "What Makes Me Happy."

Fifteen parents attended the assembly and watched our program.

Tommy Gregg is ill this week. Donna Martin visited relatives in Las Vegas this past weekend.

THIRD GRADE: After a week of review and tests it is full speed ahead for our class.

We are making individual graphs for our Arithmetic.

The children have written original stories titled "If I Was A Dinosaur."

FOURTH GRADE: We have spent an interesting week learning about plays. Everyone agrees that writing a play would be fun.

Half of our class made 100 per cent this week in spelling. They were: Carl Christiansen, Donald Hubbard, Steve Malmgren, Clint McKay, Nancy Barker, Kathleen Chastain, Everly Clinton, Carol Corbin, Gale Graton, Wendy Howell, Nancy Hutchinson, Darlene Kozacek, Debbie Martin, Christine Martin, Christine Wainscoat and Joy Uhlott.

SEVENTH GRADE: Our Class had a social studies test. The "A's" were as follows: Danell Pomin, Ricky Krips, Karen Lee Critchley, Larry Free, Jim Hilgesen, Bob Holley, Kim Molsberry, Kathy Ploof, Marcia Sims, Greg Thompson, and Brad Thompson. The students who improved a great deal are: Peggy Cerasak and Garry

Burner.

Our Twirl Day was a big success. The Kangaroo Court was presided over by Judge Larry Free and District Attorney Greg Thompson while Jurors Harry McIntire, Kathy Ploof, and Karen Critchley passed sentence. Those who were found guilty and had to take the consequences were, Sandra Riggs, Sandra Lnyder, Karla Kiser, and Betty Christensen. Jim Hilgesen, Ricky Krips, and Brad Thompson were cited for contempt of court.

We want to take this opportunity to thank the Farm Bureau, Auburn for the high fidelity record they have presented our school, Tuesday. The Star Spangled Banner record was presented by Mr. F. Oust.

The Student Body Council will show "The Day The Earth Stood Still", on Friday, February 13, at 7 p.m. This will be the last movie we will present this winter. Please attend! The admission is only 25c per child (any age) and 50c per adult.

### TAHOE LAKE SCHOOL

FIRST GRADE: Tahoe Lake first graders are doing an exceptionally fine job on their arithmetic combinations this week. The following students did perfect test papers: Dorothy Pomin, Mildred Norton, Sharon Christensen, Mindy Bechdolt, Mimi Kimball, Christine Keehn, Marvin Banta, Sands Hall, Sharon Conine, George Pinzari, Sally Starratt, and Jeanne Jones.

SECOND GRADE: The second grade celebrated the arrival of their new three-speed record player with forty minutes of the delightful recording of Peter and the Wolf, shared by Mark Sullivan from his fine collection of children's classics.

FOURTH GRADE: Tad Hall is our spelling champ for the week. The following children received perfect scores in this week's spelling test: Tommy Barr, Barry Bradley, John Carnell, Dick Pomin, Jon Caulkett, Tad Hall, Marty Spitsen, Lynn Harper, Darlinda Stark and Georgianne Luffy.

FIFTH GRADE: Julianne Bechdolt has been elected our new president for the next six weeks. Jeff McLane was elected vice president.

Cathy Connors, Judy Ingram, Jake Obexer, Warren Moyer, Jeff McLane, and Dick Nielson passed their location test of the states and capitals of the United States.

America's farmers utilize 6 1/2 million tons of finished steel annually.

Louis Braille, educator of the blind, was born at Coupvray, France, January 4, 1809.

## BIG GAME HUNTER ADDRESSES ROTARY

TAHOE CITY — Keith Stilson a big game hunter of Jackson Hole, Wyoming, entertained members of Tahoe City Rotary Club at their February 3 meeting by showing colored slides of big game hunting. The views showed a terrain similar to the Lake Tahoe region but, besides deer and bear the game included elk, moose and mountain sheep. There were views of lucky hunters with their kills and, of the animals on foot indicating that Stilson is as good shooting with a camera as with a gun. He and a

brother work with their father as guides for big game hunters. Stilson also had excellent shots of herds of the animals at their feeding grounds near the city of Jackson where he said feed is supplied by the state forest service. Bill Connors introduced Stilson and supplied a movie film, "Parade of Sports". It was a spills and thrills on snow and ice picture. President Martin Spitsen and other members being on vacation cut the attendance to 22. Vice-president Bill Bechdolt presided.

## STRICTLY STRICKLAND

By Bill Strickland

The members of the Winter Sports Writers Association were treated to a very informative bit about the abilities of "Ramac" at their meeting in Reno last weekend. Ramac is the very complex, yet seemingly simple, machine that will make case histories, past performances, present performances, times, standing and a myriad of other information available to the press and public almost instantly. It will be used at the North American later this month, and of course during the Olympic Games. One thing impressed us in particular. In calculating standings on the F.I.S. scoring basis, between three and four hours. A degree in higher mathematics, plus slide rule knowledge, have been almost a necessity in computing results up to now. Ramac, however, will achieve the same results in two minutes or less—wonder if it can cook, too!!!

Gorden Hooley and the Mapes Hotel made deluxe rooms and meals available to all members of the Ski Writers Association. About twenty were in attendance including Art Rudd of Marysville Appeal Democrat and Cy Donaldson of the Chico Enterprise-Record. All attended the ski buffet Saturday evening. It promises to be a huge weekly success if the presence of the 350 or 400 skiers attending is any indication.

Skiing conditions in the Sierras are as close to ideal as we've seen them for a long time. The Sugar Bowl informs me they have between 6 and 7 feet of packed snow. Temperature cold—10 to 30 degrees—weather clear and sunny.

Skiing excellent on all runs on Mt. Lincoln and Mt. Disney—all facilities operating.

Starr Walton and Mary Helen Reich will once again be in top Women's competition on the Sugar Bowl Ski Club Junior Team, while Kramer Herzog, Tom and Ronnie Reich and Ted Lerch will be the top contenders in the men's Junior section.

The Eagle Races will start on February 15. These tests of speed against the clock are open to all skiers—both club members and non-members.

The Oakland Ski Club Championships annually held at the Sugar Bowl, will take place on February 28 and March 1—even though the North Americans will be in progress at the same time. A large field of racers is expected.

Skiers and resort owners have gotten behind the fund raising for John Bishop; John's back was broken when he jumped from a chair lift to go to the aid of a non-injured skier. The Sugar Bowl started the ball rolling with a \$100 contribution. Squaw Valley Lodge likewise. To date over \$1,100 has been raised. John is a National Ski Patrolman, doing his job without compensation. Also, without insurance. The tremendous response certainly is indicative that many skiers are very appreciative of our volunteer ski patrol. The campaign will continue all during the ski season.

Betty Aro of Soda Springs was all set for a 10 day Aspen ski vacation—packed and waiting on her front porch for Bob McNeer and his wheels, only to discover that Betty Harbour, who was to be her hostess, had been sent to the hospital that same day for minor surgery.

The Donner Trail school youngsters have now completed their fourth skiing session. Every Wednesday they are delivered to the Soda Springs ski hill for instruction in skiing and racing by Edvi and Betty Aro, John Johansen and Dick Reed. After their season is complete, they will compete against youngsters from Truckee, Tahoe City and Kings Beach. The big finale will see about 400 matching skills at Squaw Valley early in March. Some future ski greats will develop as a result of this outstanding program.

This entire ski community is chuckling over the quip about Gordy Butterfield that appeared in the column called, "Inside Edge" in the February issue of National Skiing.

Our congratulations to Gordy and wife, Pat, for son David. And a tip of our crutches to Gordy for his outstanding public relations work, with or without toe straps.

Also in the same issue the picture of four of our Champs taken at the conclusion of the Walt Disney fun race at the Sugar Bowl in 1949. Ronnie Rau, Kit Schull, Starr Walton and Smiley Tschopp. To further elaborate on Ronnie Rau, other than the fact that he is a stand-out skier, he is the stand-out racer in the west. A junior national champion of 1957, and if the Diamond Eagle Course at the Sugar Bowl is any indication, he is probably the west's fastest speed burner. He won the third diamond in a 15 year period, and that as a 16 year old. His broken leg (four times) eliminated his trying out for the Olympic team, but he will seek a berth on the next F.I.S. Team—so look to your laurels, everyone—

yes, everyone!!!

The Sacramento Bee has just completed a most successful team race at Soda Springs. This, I believe, is the 12th running and certainly one of the best. Some of the west's best runners competed, including Cathy Zimmerman of Reno, Babette Hauelsen of Squaw, Dick Dorworth of Reno, Joe Aukenthaler of Squaw and Ronnie Rau of Soda Springs.

The Squaw Valley team took top honors, Soda Springs, second, Rubiat No 1 of Roseville, third, Donner Ski Ranch, fourth, and Reno Ski Bowl, fifth.

Cathy Zimmerman and Babette Hauelsen tied for fastest women's time in 73.0 seconds each.

Dick Dorworth was men's fastest in 66.1 seconds. Joe Aukenthaler, second in 68.5 seconds, Ronnie Rau, third, 72.1 and that, mind you, on one leg. What a competitor, this boy is—he just won't be denied.

There has been one new development in the region I've wanted to write about for the past two years, but have refrained from doing so because the prospectus was so fantastic. After two years of watching and waiting though, I believe I can now say without qualification, that will be not only to live up to its prospectus, but will actually exceed it.

It is the only development of its kind, to our knowledge, in the entire state. Its reserved acreage is four and one-half square miles or 2,640 acres. It will offer four distinct recreational seasons—(1) spring-fishing, (2) fall-hunting, (3) summer-swimming, boating, camping, and (4) winter sports. Its southern perimeter has 4 excellent ski tops in the shape of a crescent and all with north slopes. It will have a subdivision which will provide paved streets, water, electricity and a sewage system to handle 500 homes. A trailer park and camp ground is envisioned with all of the state requirements fulfilled. A riding stable is already operating in the summer. Each one of the ski tops will be served by separate ski lifts. There will be unlimited auto parking facilities. The property has two terrific lakes which have been gassed to eliminate all marine life. Both lakes will be re-stocked with trout for some of the finest fishing conditions to be found anywhere.

It will be serviced by a paved all-year road which will connect a four laned transcontinental highway as well as a transcontinental railroad.

Its present development includes a lodge hotel with rooms, dormitories, game room, dining room, lobby and bar and 8 separate chalet buildings, each a complete unit in itself with sleeping facilities, living room, dining and kitchen, fireplaces, etc. The large chalets accommodate 12 people, the smaller units six.

At the present time, serious consideration is being given to making acreages available to ski clubs. If that is done, it will become this complete development is operated as a recreational family club—open to members only.

Can you picture, for example, the keen anticipation you, as a ski club member, can have toward a day or

week of skiing, knowing that participants will be limited to members only, knowing that there will never be a lift line, knowing that you'll never be confronted with a lack of parking area. Knowing that you'll be able to ski with people you've known for years, because they too are members—and best of all, knowing that the facilities will be there and available to you, without congestion from now on, for all year use because membership will be curtailed to a workable maximum.

A 2,600 acre playground, that is a wilderness, but a usable wilderness for 12 months of the year.

A developed wilderness that has one third more acreage than is presently used in Yosemite Valley, which accommodate 45 and 50 thousand people per day in its peak season. This one third greater area probably not permit more than a maximum of 2,000 persons per day.

A planned recreational family club will afford not only all of the keen enjoyment of winter and summer activity, but will do so with enough room to satisfy any one's desire for room to stretch.

We've waited a long time to see a development of this kind, and truly feel it will be one of the most popular and successful ventures yet attempted in the Sierras.

As you local people have probably already guessed, it is the Sierra Lakes Club. For you who are not familiar with this region, it is in the heart of the Donner Summit, Sugar Bowl, Soda Springs region, just off Highway 40.

We've attempted forecasting a lot of things on our Mountain Top—some were good guesses, others were—well, we wrote about them anyway—but unless I miss my guess a mile, the Sierra Lakes Club is going to be one of the biggest things ever to happen in the Sierras, and we predict it will be the forerunner of other comparable developments if acreages and access permit.

# LESABRE, the Buick

## you can own

## for only \$200 more

## than the best models of the leading low-priced cars...

This is in no way a "stripped" car you're looking at. Come in and study the manufacturer's suggested retail price of a Buick LeSabre like this, equipped with Twin Turbine automatic transmission, radio, heater, white sidewall tires, and anything else you want in your next car. Then do the same to the top models of the leading low-priced three, and you'll find the statement above stands up.

What a difference for only \$200!

Now think how much more you'd enjoy a Buick. A comfortable, substantially built automobile. A car with the finest ride in all Buick history. A car with Buick's exclusive fin-cooled brakes, and the smoothest type of transmission

money can buy. A wonderfully quiet and greatly respected car!

Owners report **QUALITY** outstanding

Your money in a Buick today puts you in on the ground floor of what promises to be a long new time of leadership for Buick cars. "My sixth Buick and the best I ever owned!" "Best-operating car I've driven in thirty years!" "Much the best Buick yet!" Reports like these mean extra pleasure in your Buick ownership... and they mean hard dollar value when the time comes to trade. It all adds up to the best proof in 50 years that: "WHEN BETTER AUTOMOBILES ARE BUILT, BUICK PEOPLE WILL BUILD THEM!"

New in gas economy, too!

In planning the '59 Buick, the new Wildcat engines, transmissions, and axles were all engineered to work together for greater gas mileage. Across the country owners tell us they are getting 15 to 20 miles per gallon in the '59 Buicks. And in a recent thorough test of Buick LeSabre against another car of comparable size and a good reputation for economy... the Buick won in every case under all kinds of driving conditions.

So we think we've got a new kind of value in this Buick LeSabre. And we suggest you go to your Quality Buick Dealer's and see whether you agree before you buy a new car.

Attorney for Administrator  
IN THE SUPERIOR COURT OF  
THE STATE OF CALIFORNIA IN  
AND FOR THE COUNTY OF  
NEVADA

IN THE MATTER OF THE ESTATE  
OF MARY E. NYE, Deceased  
No. 5834

**NOTICE OF ADMINISTRATOR'S  
SALE OF REAL ESTATE AT  
PRIVATE SALE**

Notice is hereby given, that Albert J. Ahearn, administrator of the estate of Mary E. Nye, deceased, will sell at private sale to the highest bidder, upon the terms and conditions hereinafter mentioned, and subject to confirmation by said Superior Court, on or after Tuesday, the 3rd day of March, 1959, all the right, title, interest and estate of the said Mary E. Nye, deceased, at the time of her death, in and to real property hereinafter described, and all the right, title and interest that the said estate has, by operation of law or otherwise acquired, other than or in addition to that of said deceased, at the time of her death, of, in, and to that certain parcel of land situate, lying and being in the County of Nevada, State of California, described as follows, to-wit:

All that certain real property situate in the County of Nevada, State of California, and described as follows:

LOT Twenty-eight (28) and Lot Twenty-Nine (29), Block "H", as per the Official Map or Plat of the Town of Truckee, County of Nevada, State of California, on file in the office of the County Recorder of the County of Nevada.

EXCEPTING THEREFROM all that portion of said lots lying Northwesterly from the following described line:

BEGINNING at a point from which the ¼ corner in the North line of Section 15, Township 17 North, Range 16 East, M.D.B.&M., bears South 75° 57' 59" East 678.62 feet, said point is also distant 112.00 feet Southeasterly, measured radially from Engineer's Station "A" 68 | 50.00 of the base line of the Department of Public Works' Survey from 1-mile West of the Junction of State Routes 37 and 38 to near Boca, Road H-NEV-37, 38-D, A (The California State Zone II co-ordinates for said point of beginning are X-2,513, 190.47 and Y-611,001.09); THENCE from said point of beginning, from a tangent that bears South 46° 53' 25" West along a curve to the left with a radius of 6,888 feet through an angle of 9° 58' 44", an arc length of 1,199.64 feet, (the chord of which curve bears South 41° 54' 03" West 1,198.13 feet) to a point distant 112.00 feet Southeasterly, measured at right angles from Engineer's Station "A" 56 | 30.84 B. C. of said base line and Survey.

Terms and Conditions of Sale: Cash, in lawful money of the United States; ten per cent (10%) of the purchase money to be paid at the time of sale, balance on confirmation of sale. Deeds abstract at the expense of the purchaser. The purchaser to assume the payment of, and to take the property purchased by him subject to all the state and county taxes, and all assessments of whatsoever name or nature, which are now or which may become hereafter chargeable to or a lien against the property purchased by him.

All bids or offers must be in writing, and may be left at the office of Wm. J. Cassettari, attorney for said administrator at 123 East Bank Street, Grass Valley, California, or may be delivered to said administrator personally in said City of Grass Valley, County of Nevada, State of California, or may be filed in the office of the Clerk of this court at any time after the first publication of this notice and before the making of the sale.

Dated: February 4, 1959.

ALBERT J. AHEARN,  
Administrator of the Estate of Mary E. Nye,  
Deceased.

## DALE SMITH TO HEAD COUNTY TRADE BOARD

Dale Smith was elected as the new chairman of the Nevada County Board of Trade and C. A. Shirley as new vice chairman.

Dan Horman, Truckee member of the group, gave a detailed report on the progress of the 1960 Winter Olympic plans and indicated that Walt Disney, whose organization has been named to have charge of the pageantry at the Olympics, will visit Truckee to discuss possible changes in the area's appearance.

A letter was signed by the board members again asking the board of supervisors to honor a bill for \$135 worth of gold dust samples given away at the Los Angeles County fair last year.

## NOTICE OF SALE OF PROPERTY DEEDED TO THE STATE FOR DELINQUENT TAXES

Date January 29th, 1959

Whereas, I was on the 5th day of January, 1959, directed by the Board of Supervisors of Nevada County, State of California, and there was received by me and filed in my office an authorization of the State Controller (dated January 9th, 1959) to sell at public auction, for cash in lawful money of the United States, certain tax deeded property, public notice is hereby given that unless the said property is redeemed as provided by law, I will on the 3rd day of March, 1959, at the hour of 10 o'clock a.m. in the Tax Collector's Office in the Court House of the County of Nevada, in the City of Nevada, sell as directed the said property for a sum not less than the minimum price or prices set forth in this notice.

The parcel or parcels of property that are the subject of this notice are situated in the County of Nevada, State of California, and are described as follows:

### DESCRIPTION

In Donner Lake Co's Lakeview Subd. Lot 2 Blk 25. Last assessee: Vern Elliott. Minimum Price \$125.38.

## SOUVENIR STAMPS AT LAKE STILL ON SALE

TAHOE CITY—First results of the Lake Tahoe-Olympic souvenir stamps publicizing Lake Tahoe as the "Home of the 1960 Winter Olympics", were declared a gratifying success by Robert J. McMahon, president of the Lake-Tahoe Chamber of Commerce.

"This non-profit venture, which advertises our area via U. S. mails throughout the world, was instantly recognized by the merchants, organizations and individuals throughout the entire Lake area, when they purchased them in quantity just prior to the holidays.

"While many thousands of the stamps were consumed for use as Christmas seals, it is desired that these stamps should be used on each and every letter that emanates from the Lake Tahoe area," McMahon said.

"We still have many thousands of these stamps on hand and available, and we sincerely hope that the many mailers will reorder at this time in order that this project might be a complete success," he added.

## JOHNSON SELECTED ON SUBCOMMITTEES

WASHINGTON — Congressman Harold T. (Bizz) Johnson, second district, California, has been appointed to the subcommittees on rivers and harbors, and flood control of the House Committee on Public Works.

The subcommittee will consider matters of importance to his district including legislation authorizing flood control works, surveys for proposed flood control projects and related problems such as erosion, snagging and channel clearing on major rivers and tributaries.

Johnson's committee also has jurisdiction over legislation involving construction of public roads, post offices and other federal buildings.

In Donner Lake Co's Lakeview Subd. Lot 5 Blk 19. Last assessee: Vera L. Crawford. Minimum Price \$153.07.

If redemption of the property is not made according to law before the first bid is received, the right of redemption will cease.

**Graduates**

Miss Irene Englehart, daughter of Mr. and Mrs. William Englehart, Jr., of Truckee graduated Friday from the Dental Nurses Training School at San Francisco. The ceremonies were attended by her parents and sister, Gail. The young dental assistant will return home for a visit before accepting employment.

**WOLVERINES**

Continued from Page 1

came back with a press to open the third stanza and it proved effective at the Tigers continually stole Wolverine passes and scored on easy lay-ups. This proved to be the turning point of the contest as the home tigers were never headed after five minutes of the third frame had elapsed; they went on to win the tilt, 52-33.

Next evening the Wolverines continued on their road trip by playing the Stewart Braves also of the "A" conference. The game started slow with Truckee taking an early first quarter lead, 11-8. Stewart, lead by guard Terry McCann kept right on the Mountain-eers tail and trailed by only two points at the conclusion of the first half, 19-17. Tahoe Truckee's rebounding and height began to tell in the third period and TNT pulled away, 29-20 at the end of that time. In the final quarter the Braves pulled to within 36-30 with one minute left but two points was all they could muster as the Truckee boys won it going away.

Three players hit in the double column for TNT against the Indians led by Senior Craig Robinson with 12 followed by teammates Bob Merica and Gary Holbrook with 11 and 10 in that order.

In the J. V. games the "Cubs" also split but different teams. First they took a very close decision over the Tigers juniors, 43-40, in the final minute of play. Saturday the Stewart Papooses scalped the young paleface Wolverines, 51-40. Stewart was led by Bob Shaw, who canned 17, and was the big difference in the Junior Braves victory. Bill Notley and Mike Robinson each gathered in 10 points in the Junior Wolverines losing cause.

Tomorrow the teams travel to Winnemucca to play the Buckaroos who are currently undefeated in both conference and over-all games. Last time these teams met was early in their season and saw Winnemucca emerge a 51-27 victor.

Saturday both hoop teams return home to host their cross-lake rivals, the South Tahoe Vikings, to whom they also lost before this season.

**In Death Valley—**  
Mr. and Mrs. Howard Martin, Mr. and Mrs. Dave Rose, Mr. and Mrs. Clarence Osburn, Mr. and Mrs. Lauren Russell, Mr. and Mrs. C. Z. Smith were all recent visitors to Death Valley. The latter couple also visited their son, U. S. Marine Pvt. Michael Smith at Twenty Nine Palms.

**Visited South—**  
Mr. and Mrs. Robert Trower have been visiting relatives in southern California and enjoying the warmth and sunshine at Borrego Springs Park.

**NOTICE OF INTENTION TO ENGAGE IN THE SALE OF ALCOHOLIC BEVERAGES**

To Whom It May Concern:  
Subject to issuance of the license applied for, notice is hereby given that the undersigned proposes to sell alcoholic beverages at the premises, described as follows: Kingvale Park, N-S Hwy. 40, 3 mi. W. of Soda Springs, Nevada County.

Pursuant to such intention, the undersigned is applying to the Department of Alcoholic Beverage Control of issuance by transfer of an alcoholic beverage license for these premises as follows:

ON SALE—GENERAL (SEASONAL-QUARTERLY)  
Anyone desiring to protest the issuance of such license may file a verified protest with the Department of Alcoholic Beverage Control at Sacramento, California, stating grounds for denial as provided by law. The premises are now licensed for the sale of alcoholic beverages. The form of verification may be obtained from any office of the Department.

**Suit Pending Over Pollution In River**

L. B. Young, president of the San Francisco Flycasting Club, was here and at Reno this week conferring with the fish and game officials and sportsmen's organizations relative to correcting damage to fish life in the Truckee river caused by water pollution.

A complaint against a representative of the Clements Rock Production Company has been filed in the Truckee Judicial District Court by Erwin Eingle, local game warden, as the result of action by the company in permitting dirt and debris to flow into the river from a gravel washing process near Donner Lake.

Bail has been fixed by Judge F. W. Wilson at \$500. and the case is now pending.

During last summer, according to Single, the company was warned of the damage being caused and agreed to cooperate by installing settling ponds. This was done and the charge then pending was dropped. However, it was alleged that the sides of the settling ponds

**LOCAL SKIERS ADD HONORS TO CROWN**

**DODGE RIDGE—** Little Jimmy Heuga and Starr Walton have added new laurels to their growing ski records.

The juniors raced to victories Sunday in the second of three Far West Ski Association junior point meets.

Starr, a Sacramento 16 year old and the national junior combined champion, won the downhill with a 1:05.5 clocking.

Smiley Tschopp, Reno, was second in 1:11 and Mary Savich, Placerville, third, in 1:15.4.

Jimmy, 15, of Tahoe City outdistanced his competition with a time of 1:05.6. Gary McCoy, Mammoth Mountain, was second with 1:06.1 and Jon Reveal, Pinecrest, third in 1:06.6.

Mrs. Charles Vind was a hospital patient early this week with a recurrence of a foot ailment.

were taken out and the trouble continued.

Young in soliciting the cooperation of others interested in the welfare of the river asked that action be undertaken to prevent further damage to the fish life.
